DYC Youth Position Paper

- Presented at 14th EUSDR Annual Forum, Sarajevo, Bosnia and Herzegovina
- Three key insights:
 - **Engage:** Participation improved, but policy impact remains a challenge; stronger involvement of rural and marginalized youth emphasised as a key priority
 - **Connect:** Raising awareness on youth involvement and mobility programmes (Interreg Volunteer Youth, Erasmus+, European Solidarity Corps, etc.)
 - **Empower:** high NEET rate (Not in Education, Employment, or Training), rural youth face poor digital access → promising pilots (“Back on Track” for NEETs, “PATHS” for rural career guidance) should be scaled up and embedded into youth policies
- Key recommendations:
 - Strengthen structured **youth input into policymaking**
 - Improve outreach to and inclusion of **marginalised youth**
 - Ensure **long-term funding** for youth organisations
 - Recognise **skills** from volunteering and youth work
 - Foster **DYC-DYCON collaboration** for a broader impact
