

PROGRAM OF UKRAINE'S PRESIDENCY IN THE EUROPEAN UNION STRATEGY FOR THE DANUBE REGION

**UKRAINE HAS BECOME THE FIRST NON-EU
COUNTRY TO PRESIDE OVER THE EUSDR FROM 1
NOVEMBER 2021 TO 31 OCTOBER 2022.**

While presiding over the EUSDR, Ukraine will focus on the topics where the aftermaths of the coronavirus crisis were most noticeable and on the areas where strengthening the recovery, cohesion, and rapprochement efforts is currently most important for contributing to the well-being of the population of the Danube region

POLITICAL PRIORITIES

- ✓ **Embedding EUSDR priorities, implementation, and evaluation**
- ✓ **Enhancing the institutional capacity of the EUSDR**
- ✓ **Strengthening the role of civil society in the implementation of the Strategy**

THEMATIC PRIORITIES

**Sustainable Development of the Danube Region:
Decarbonisation and Transformation of the
Economy**

Development of human capital and labor markets

During its presidency in the EUSDR, Ukraine will pay considerable attention to the implementation of the European Green Deal, since it concerns not so much climate policy but rather the “green” concept of economy modernization and economic growth to ensure human life in harmony with the planet and its resources.

The key event of Ukraine's presidency in the EUSDR is the holding of the Eleventh Annual Forum of the EU Strategy for the Danube Region, which will be held under the slogan **"Recovery. Development. Unity"**.
